

School Year 2026-2027

Dear Parents,

During the course of the school year, arrangements may be made for students to participate in walking field trips in close proximity of the school. Examples include going on a Spring walk, an exercise walk, walking to the square, fire station, a park, library, etc. Supervising teachers will take reasonable care to ensure your child's safety.

However, it is important that you, as a parent or legal guardian, give written permission for your child to participate in walking field trips. Therefore, please sign the permission slip (below) and return.

I hereby give my permission, as a parent/legal guardian, to (please print child's name) _____, to participate in any walking field trips planned during the 2026-2027 school year. I approve of these arrangements.
